

# Wittersham Church of England Primary School

*'On a voyage of discovery: flourishing together in God's love'*

## Weekly Newsletter Monday 6th February 2023

This week is the last week of Term 3. It marks the halfway point in the school year and is an ideal time to remind ourselves about our school vision and how we see this every day in our school.

*We strive to ensure that everyone within our community develops a love of learning and feels nurtured, valued and empowered. Our inclusive learning environment enables all to flourish and become the very best that God intended. Wittersham's Christian Values weave throughout our rich curriculum, creating a foundation of support following Jesus' example of love.*

Across the school year, we see the children grow and develop both academically and personally. I'm sure, as parents, you also enjoy seeing their progression and growth, whether it be learning to tie their shoelaces, learning their 4 times table or finally being able to spell that tricky word! One of the things I love the most when visiting classes, is looking back in books at the work children were producing in September and comparing it to now- just magic to see!

Last week, it was great to see children grasp the opportunity to grow and develop as part of our 'Wittersham Unplugged' day. Thank you to all the parents and families for supporting with this. Although it was a quiet day for us in school, we enjoyed celebrating and sharing the experiences and learning children produced on their return.

On Thursday, we were joined by Rhona from FAB First Aid. It was an amazing and essential experience for our children who all engaged brilliantly as they learned how to deliver basic first aid training and CPR.

On behalf of all the team here, I hope you have a lovely half term break. Hopefully, we can recharge our batteries ready for another busy term!

**Target: 95%**

This week in our collective worship, we are continuing to explore the stories from the Gospel and the life of Jesus. We will take time to discuss and explore what we can learn from this and how it can impact on the choices and actions we make in our lives today.

In particular we will discuss Mathew: 5-13:  
*'You are the salt of the Earth and the light of the World.'*

I wonder if children can discuss with you what they think this means to them?

## Forest School

Our children continue to thoroughly enjoy their forest school sessions. It is always great to see them so engaged and thriving in our wildlife garden.

Following their focus on 'Cooking in the outdoors', next Term's learning will develop their skills in bushcraft. Children will explore the skills in knife craft, water filtration, lighting fires and whittling.

## WSA Update

Dear Parents and Carers,

As AmazonSmile is going to cease from 20th Feb the WSA has signed up with **EasyFundraising**. This is an online platform that allows you to raise money for the WSA as you do your regular online shopping without costing you anything other than the price of your shop. We will be sending home a flyer later this week with more information and a link to sign up before the 27th Feb that could help unlock a bonus payment for the WSA. There are lots of well-known companies signed up and you could raise money from doing your Tesco's online shop to booking your holiday or buying house insurance and a lot more.

Vikings cake sale is on 9th February and the theme is Valentines, but all cakes will be gratefully received. We will be starting the sale a little earlier than normal to allow those children dancing in the Movers and Grovers show to still participate in the fun. The money raised from the sale goes straight to the teacher to buy things for the class.

Look out for more information re all the events in March and ticket sales for the Dinner Dance after Half Term.

Together we can make a difference so please do get in touch with me if you have any questions or suggestions!
