

# Wittersham Pupil Premium

In 2011-12 the Government launched its Pupil Premium funding. This money was provided to schools based on the numbers of pupils eligible for Free School Meals (FSM). From 2012-13, it was expanded to include all children who have been eligible for FSM within the last 6 years. In addition, children whose parents work in the forces or children who have been looked after continuously in care for more than 6 months, also receive a grant. This money is allocated to initiatives to ensure pupils reach their full potential, both academically and socially.

**Wittersham’s pupil premium funding for 2015-2016 is £25,517.**

**Number of pupils on roll 2015/16: 124**

### Impact of Pupil Premium expenditure 2015-16

As a school we regularly track and analyse how individual and groups of disadvantaged children perform against the outcomes of their peers and national averages.

- 60.0% of PP children passed the threshold for the Year 1 phonics screening test compared to 76.2% of all children. However, 85.0% of PP children who had been in Year 1 throughout the academic year did achieve the threshold score.
- Those children in EYFS made good and rapid progress from their starting points in all areas of the curriculum.
