

Wittersham Church of England Primary School

"On a voyage of discovery: together we learn, grow and achieve"

12th May 2017

Dear Parents and Carers,

It was very heartening for the school to receive such positive comments and feedback from the SIAMS questionnaire sent out by governors. You will receive a letter today which includes the results from John Collins and we will also put this on our website. Please do remember that if you have any additional comments or aspects of our Church School that you would like to discuss then I am always more than happy to meet with you.

As part of our continued aim to widen the opportunities for extra-curricular experiences for our children, we have invited a local company to trial lunchtime sporting activities for KS1 and KS2 children in Term 6. This will be funded by the school and we will hope to continue to build on our existing provision which already includes a wide range of music clubs, sports, cooking, art, computing, gardening and dance!

SPORTS NEWS

The following year 3 and 4 children competed in the ALT Tri Golf Tournament at Highworth School on Tuesday: Kloe, Chloe E, Chloe L, Isla H, Tamzin, Jake and Johnny. They all played exceptionally well, and even though they were three players short of a full team, they still managed to finish a very credible eighth out of fourteen schools.

I hope you all have a wonderful weekend.

Claire Frost *headteacher*
