*"On a voyage of discovery: together we learn, grow and achieve"*

**24th March 2017**

Dear Parents and Carers,

On Wednesday we had our Mother's Day lunch in the school hall with mums sharing a roast dinner with their children and being presented with posies of flowers made by Janet Pudan. There was a lovely atmosphere and family feel and I appreciate all of the extra care and organisation taken by our fantastic kitchen team to put this on. Here are a few examples of the comments left in our visitor book:

*"What a lovely lunch, very yummy Gammon! Thank you very much for the flowers as well." "Thank you. It's such a nice thing to do for us." "Thank you so much for an absolutely delicious vegetarian lunch! It was lovely to share a Mother's Day meal with you all." "A fabulous and delicious Mother's Day lunch. My first. Brilliant!" "The food was divine. I loved the time with my girls."*

I was especially proud this week to hear of Luke in Year 3 who demonstrated our Christian Values of Love and Kindness in our local community when he noticed that an elderly gentleman was laying hurt on the ground. Luke alerted the adult with him and he was quick-thinking enough to fetch a blanket from a neighbouring house before then staying until the ambulance arrived.

Amongst all of the fun and laughter today for Comic Relief, our pupils showed their usual thoughtful and deep understanding of why we raise money for others in this country and abroad who need our help. Their reflections and prayers shared in Collective Worship were a meaningful way to start the day.

As ever, thank you to parents for your continued support in our fundraising efforts. I hope you have a wonderful weekend.
