Dear Parents and Carers,

On June 10th our school will be hosting a tea party for the Queen's 90th birthday on our school grounds. This is to be a community event and will be supported by the Church and organisations within the village. We would like to invite you to take part in this with your children from 2.00pm to 3.00pm. Children will be invited to bring in cakes to share within their classes and the tea and squash will be provided. Funds have also been donated by the Parish Council to allow for each child to be given a small commemorative gift. School finish time will be the same on that day and children will be dismissed at 3.05pm by their teachers in the usual manner. I will write again to give full details but I told the children today in Collective Worship and they are very excited!

Just to reassure any parents who have a concern about fire exit procedures and the new door access system, I can confirm that in the event of a fire alarm, all exit doors automatically open. This is tested weekly in the school. Children had this explained to them earlier in the term but I have explained it again last week in whole school worship.

The school has been working closely with the KCC community warden, Joanne Voss, and part of her work with the school has been to reinforce road safety with the whole school community and to ensure that adults role model to all pupils what good road safety looks like. Thank you for your on-going support with this.

I hope you have an enjoyable weekend.
