Dear Parents and Carers,

We know that our children have many successes and achievements outside of the school and we are always so happy to share and celebrate these with them. Last week, Edie from Oxney class played beautifully on the piano in Collective Worship and today I have been sent a message by a member of the public commending Bobby in Viking class for his exemplary manners when he was out locally with his family. These are just two examples of why our children impress us and make us so very proud.

We would like to thank Mark Stewart from the Fire Service who came in this week and gave a number of fire safety talks across the school. The children responded very well and asked many good questions.

Well done to our 'Learn to Lead' team of years 4 and 5 children who gave a presentation to governors on Tuesday morning. They had worked really hard to write and prepare this and the feedback was that the pupils presented very well and were confident in answering a range of questions from governors. As mentioned before, this is a national pilot project which Wittersham is involved in and will eventually be rolled out across the whole school.

Please remember that the school is hosting a village tea party for the Queen's 90th birthday on the 10th June from 2pm to 3pm. You are all welcome to come along and be part of this community gathering to celebrate the event. Each child will receive a small commemorative gift which the School Council will be choosing, and is being funded by generous donations.

I hope you all have a wonderful week and I look forward to seeing you on Tuesday 7th June.
