Dear Parents and Carers,

Thank you so much to the WSA who work tirelessly, not only provide events that our children and families can enjoy but also that fundraise for the school. I thought that the Summer Fair on Saturday was wonderful – even if I did have to dance with our marvellous Movers and Groovers in public! It was also great to have the help and support of our wider community who came along to contribute to the day.

As you know, we had our Ofsted Inspection on Wednesday. Thank you to the parents who took the time to fill in the parent survey and for those of you who spoke to the inspectors on the morning when you were dropping your children off. As soon as I am able to share the outcome of the inspection with you I will, but please do know how impressed our visitors were with the manners, confidence, respectful nature and good humour of our children here at Wittersham CE Primary School.

Today we are sending home the end of Term 5 summary reports for your children. Apologies for the delay in this but we had some technical problems with Target Tracker and then our visitors this week put us further behind. You will receive end of year reports and statutory results before the end of this term. Dates for optional parent consultations are Monday 18th July and Wednesday 20th July. Letters will be sent out for this separately.

Year 5 and 6 children took part in the WOKSSA Cricket Tournament on Tuesday whilst Year 1 and 2 children participated in the Infant Agility event yesterday. Mr Hawkins was, as ever, very proud of both their sporting successes as well as their perseverance and teamwork.

Sports Day will be from 1.15pm next Thursday 30th June. Please bring along a folding chair if you would like to and a water bottle for your child would be a good idea. If the day is looking very wet, please do ring the school office later on the morning to check if it has had to be cancelled. Hopefully the weather will be kind to us.

I wish you all an enjoyable weekend. Claire Frost *Headteacher*

Now that the weather is a little better, a polite reminder to apply daily sun tan cream to your children before school or, with the older children who can apply it themselves, send them in with some sun lotion. School uniform sun caps and legionnaire caps are available to buy in the school office.

We would also like to remind you of the need for naming school uniform. There is now a lost property bag that lives in the office, getting larger daily!

Well done **OXNEY**—once again you are the winners of the Attendance Cup.
