Dear Parents and Carers,

The end of term, and therefore the school year, is rushing by but we have so much more to look forward to in our final few weeks.

Yesterday saw the Year 3 pupils in the Viking class give two superb performances of their own adaptation entitled 'Return to Pompeii'. The production included singing, acting, comedy, high tension and then had the class rapping as its finale! Next week is the turn of the Year 4 and 5 children and having seen a few of their songs performed already, I know we are in for another high quality performance. The Year 6 children are keeping their leaving performance under wraps so I am looking forward to seeing what they produce immensely.

Children's safety in all forms is always high on our safeguarding priorities at Wittersham and I would like to draw your attention to a very informative website for schools and parents: <http://parentinfo.org/> It gives some valuable information in an easy to understand format on a range of issues, such as, setting safety and privacy settings on social media apps and what parents need to know about YouTube. The link will be going on our school website and I hope that some of you may find it useful.

I hope you all have a lovely weekend.
Claire Frost *Headteacher*

Lunchtime Exemplary Behaviour Award:

KS1—Grace
KS2—Ruby

The Movers & Groovers after school club will continue in September as usual on a Friday.

Pop into the office for a registration form if you would like to sign up—spaces are limited.

Dates are as follows; 23rd and 30th September, 7th, 14th and 21st October

Yet another successful week for Wittersham sport, with the Year 5/6 girls representing Ashford in the Kwik Cricket County Finals, and the Year 1/2 mixed football team competing in a six a side football tournament. The football team played 4 matches, winning three and drawing one, and the girls played six matches, winning three and losing six. Wittersham can now proudly claim to have the sixth best girls kwik cricket in Kent, a marvellous achievement, as I am sure you will agree.

Could all parents please be considerate to other local residents in where they park when dropping off or picking up their children from school
