*"On a voyage of discovery: together we learn, grow and achieve"*

Dear Parents and Carers,

**24th November 2017**

Thank you to everyone at the London Beach Hotel, the WSA and all of the parents who supported our first Winter Ball last

Saturday. It was an amazing evening with a lovely atmosphere, great entertainment and lots of dancing and laughter. Best of all, the event raised £3,000 for the school which we will be investing into the curriculum for all of the children's benefit.

Oxney class visited Dungeness Power Station yesterday as part of their studies this term and which provided the 'Marvellous Middle' for their learning on changing times and new inventions. A great time was had by all children and a big thank you must go to Mrs Dunham who stepped in at the very last moment as a volunteer adult, Mrs Duke for also offering her help and Mrs East for then assisting with the Rother trip to the Stour centre. I am constantly reminded of how supportive our parenting community is and how much extra the school is able to do and achieve because of you all.

I hope you have a fantastic weekend and I look forward to seeing many of you tomorrow at the WSA Christmas Fayre.
