

Wittersham Church of England Primary School

'On a voyage of discovery: learning and growing together in the light of God'

Weekly Newsletter Friday 6th October 2023

As our school vision states, at Wittersham, we are preparing children to become compassionate citizens within our rural community and the wider world. This was particularly evident on Tuesday, as we launched our school foodbank with an offering of provisions in the village hall. These are now outside the front of the school building for anyone to access. It has been great to see that this has been made use of by our community already. If it can be of use to you, please do take anything which will be of use.

This week, we look forward to celebrating World Mental Health Day on Wednesday 11th October. This will be with a visit from chef Daren, from Roots to Food, who will support the children in cooking a Greek inspired meal to support health and well-being. Elsewhere, children will also take part in an interactive wellbeing workshop and performance from Captain Fantastic in the village hall. When not engaging with the sessions, children will explore lessons designed to promote their knowledge and skills of supporting children's own wellbeing and that of those around them. It should be a great day full of purposeful and enriching experiences for our children.

We finish our week with 'Break the Rules Day'. This event is being coordinated by our headboy and headgirl. Please take time to read the rules which children are allowed to break on this day; we will be sharing this with them in school also.

I hope you all have a good weekend – especially those attending the WSA dinner dance: I am sure it will be a fantastic night!

This week in worship...

Throughout our acts of worship this week we have been exploring one of our new Christian Values: compassion; considering how we can show 'compassion together'. We have explored the thoughts of individuals such as Madame Teresa and Marcus Rashford, alongside Jesus' acts of compassion as noted by James 2:14-17 and John 6:5-13.

'Don't tell someone to get over it, help them get through it'.

Lord, I want to be aware of those in need. I want to have the means to help. Let me give to those who are not as privileged as I am. Give me confidence in my actions so that I can give back. Let me be what others need. Use me as a vessel of compassion to a world in need. AMEN

WSA Update

Dear Parents and Carers

We are looking forward to the Dinner Dance tomorrow (Saturday 7th). I hope to be able to share some photo's next week and will share with you how much is raised.

Attention is now turning to getting the Christmas Fayre organised. We are particularly looking for Raffle Prizes and companies to sponsor games at the event eg to cover a cash prize in an 'Open the Box' type game, or cover the cost of a giant soft toy for another game. There will be a non-uniform day on 10th November to gather donations for tombola prizes, sweets etc. Watch out for more information in the coming weeks.

Rother's Cake sale is on Thursday 19th October – the theme is the army and military which links to activities the class have been involved with this term. Look out for more information on dojo, the newsletter and on the WSA Facebook page. We will send a flyer home too nearer the time.

Finally, we are excited to be able to confirm that we will be holding a Wreath Making Workshop on Thursday 30th November 7pm – 9.30pm in Wittersham Village Hall, £35 per person. This has become a regular event in the WSA calendar and is a really fun night where you go home with a fabulous wreath. Details on how to book coming soon.

If you are new to Wittersham School and want to know more about what volunteering might involve before committing to anything just drop me an email

Break The Rules Day! Friday 13th October

This Friday (13th October) our Headboy and Headgirl are hosting a 'break the rules' day at school. This is a day where children can choose to 'break' any of the following rules for the day:

1. Own Clothes
2. Funky Hair
3. Own Shoes
4. Face paint

Children WILL still follow all other rules in school, such as no mobile devices, and follow our Wittersham Way.

If your child would like to break one, or all, of the above rules, Brody and Sophie would like to invite children to bring in a donation of sweets or chocolate, which can be used for tombolo events later in the year.

Thank you
