Dear Parents and Carers,

We are pleased to inform you that we have an additional uniform supplier for Wittersham Church of England Primary School. **County Print & Embroidery**, a local business based in Ashford, will now provide uniform items. Families can visit their shop to try on specific items before purchasing, and uniforms can also be ordered online via their website:

As part of this transition, we are introducing some **new uniform options** based on feedback from families and children:

- **Fleeces** – Children may now wear a school fleece as an alternative to a jumper or cardigan.
- **School Hoodies (PE Days Only)** – Green hoodies with the school logo are now available for children to wear on PE days.
- **Beanie Hats** – Introduced at the request of our pupils, these will be available for colder weather.
- **Summer Caps** – To provide sun protection during warmer months.
- **School Backpacks** – A new option for those who would like a branded school bag.

Branded items are completely **optional** and simply provide another choice for families. There is no expectation to purchase them, and children are welcome to continue wearing **non-branded** alternatives in line with our uniform policy.

The **Department for Education (DfE)** encourages schools to ensure that uniform costs remain affordable. Schools are expected to:

- Keep uniform costs reasonable.
- Allow families to purchase items from a range of retailers where possible.

We are confident that our new supplier will offer **quality uniform items** while providing flexibility for families.

**Price and Buckland** will **continue** to be one of our uniform suppliers, so families are welcome to explore their range of uniform items as well.

If you have any questions or need further information, please do not hesitate to get in touch.

Yours sincerely,

Stella Coulson
