Wittersham Primary School

Finance Policy

Reviewed January 2016

Reviewed January 2017

1. Introduction

The Governors of Wittersham Primary School are committed to providing sound financial controls, to achieving value for money and to being worthy custodians of public money. To achieve these aims the Headteacher and the Governing Body have drawn up this Finance Policy to provide the guiding principles for which all Governors and staff will operate within **the traditional model of Governance – i.e. a Finance Committee.**

This Policy has been drawn up in accordance with the Local Authority's (LA) Scheme for Financing Schools

2. Principles

Wittersham Primary School Finance Policy will adhere to the following principles;

- The responsibilities of the Governing Body, its committees, the Headteacher and staff will be clearly defined and limits of delegated authority established, where applicable.

The **Governing Body** is responsible for taking steps to ensure that expenditure reflects best value principles. This is done by;

- Using performance data to **compare** attainment and other outcomes from all schools nationally, and with similar schools

- Using the information gained to **challenge** performance and set new targets
- Where financial benchmarking is available, using it to **compare** expenditure with similar schools
- Using fair **competition** through quotations and tenders, ensuring resources and contracts for services are secured in the most economic, efficient and effective way
- **Consulting** parents on policy development and major changes in the use of resources

The school will establish sound internal financial controls, based on the LA's Financial Controls and the Audit Commission documents mentioned above, to ensure the reliability and accuracy of its financial transactions.

The budget will reflect the school's prioritised educational objectives through its links to the School Improvement Plan, which indicates the resource implications of each priority.

The budget will be subject to effective monitoring, allowing the Governors, Headteacher and staff to maintain financial control in line with the Balance Control Mechanism by reviewing the current position and taking any remedial action necessary.

The school will be adequately insured against exposure to risk.

The school will ensure that:

- The Budget share is spent for the purpose of the school only
- Purchasing arrangements achieve value for money
- There are sound procedures for the administration of personnel matters
- There are sound procedures for the administration of payroll matters
- Stocks, stores and assets are recorded and adequately safeguarded against loss or theft
- All income due is identified and all collections receipted, recorded and banked promptly
- The operation of the bank account and the reconciliation of bank balances with the accounting records are properly controlled
- The use of petty cash is strictly controlled
- The use of a Purchase Card is strictly controlled

- The School Voluntary Fund and any other non-public funds are administered as rigorously as public funds
- Any suspected irregularity will be reported immediately to the LA's Head of Audit and Risk
- The school will adhere to current Data Protection legislation
- Appropriate training in financial administration will be given to enable staff cover at all times

3. Putting Policy into Practice

3.1 Delegated Authority

The Full **Governing Body** of Wittersham Primary School has overall responsibility for the management of all of the school's finances covering the revenue budget, other budgets delegated or devolved by the LA and other funds (e.g. the School Voluntary Fund).

The **Finance Committee** is delegated responsibility by the Full Governing Body for the following aspects of financial management;

- Evaluate and recommend the three year budget plan, which shows clear links to the School Improvement Plan, for approval by the Full Governing Body
- To review annually the Finance Policy and agree levels of delegation for approval by the Full Governing Body
- To review annually the Charges and Remissions Policy for approval by the Full Governing Body
- To review a Pay Policy for approval by the Full Governing Body
- To make decisions in respect of service agreements and insurance
- To advise the Full Governing Body of any consultations to change the LA Scheme for Financing Schools
- To report monitoring and the outturn position to the Full Governing Body, highlighting any significant variances
- Evaluate any proposed virements
- Evaluate and report on Tenders for Contract Services to the Full Governing Body
- Keeping in-school financial procedures under review

- Benchmark the school's financial performance and report to the Full Governing Body
- Evaluate and recommend the annual Statement of Internal Control and present to the Full Governing Body for approval
- Evaluate and recommend the annual Best Value Statement and present to the Full Governing Body for approval
- Ensuring the school meets the relevant statutory deadline for Schools Financial Value Statement. (SFVS) Annual review.

The **Headteacher** is responsible for implementing the decisions of the Governing Body and for the operational management of the school. The general administration of financial procedures may be delegated to other members of staff at the discretion of the Headteacher and this delegation should be documented in the Finance Policy.

3.2 Internal Financial Controls

The internal financial controls operated by Wittersham Primary School follow the controls set out in the LA's Scheme for Financing Schools.

3.3 Financial Links to the School Improvement Plan

The School Improvement Plan has sufficient scope and depth of the financial implications and it is reflected in the school's three year budget plan.

3.4 Monitoring and Virements

Wittersham Primary School recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Headteacher carries out a monthly internal monitoring procedure, copied to the Chair of the Finance Committee. A monitoring report is taken to all meetings of the Finance Committee which reports, as required, to the Full Governing Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

Virements up to £5,000 - The Headteacher, reported to the Finance Committee

Virements up to £10,000 – The Full Governing Body

3.5 Insurance

Wittersham Primary School is insured through **the Kent County Council (KCC) 'Safe Hands' Scheme** with relevant cover, as identified by the schedule received from the LA's Insurance section.

Buildings Insurance - Ecclesiastical Insurance Office plc
Employers Liability - Zurich
Supply Insurance Scheme – Lark
Group Travel – Safe Hands

Wittersham Primary School recognises that cash is not insured through the LA's Insurance Policy.

3.6 Purchasing

At Wittersham Primary School the older budget holder is Claire Frost, Headteacher, and purchases are made in line with the priority needs of the school and the School Improvement Plan. All purchases must be approved by Claire Frost.

All staff adhere to the school procedures for purchasing items, as laid down in the School's Staff Handbook, paying regard to value for money at all times. The Headteacher or designated deputy authorises all orders and invoices prior to payment.

Where the school purchases large items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools (www.kent.gov.uk/publications/business/spending-councils-money.htm), in summary:

- For orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Finance Committee for approval and report to the Full Governing Body
- For orders in excess of £50,000, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval

All of the above will be minuted at the appropriate committee/Governing Body meeting to ensure that the School is seen to be obtaining value for money at all times. With this in mind, the School also adopts the procedure where quotations are sought for all purchases over £1,500, as a matter of course.

The school does not enter into any Hire Purchase agreements, Finance agreements or Finance Leases.

3.7 Personnel Matters

At Wittersham Primary School, at the start of every financial year the **Headteacher** uses the three year salary calculator provided on Kent Trust Web to calculate the salary costs of all members of staff, including increments, where applicable. These details are used by the Finance Committee for incorporation into the school budget planning process.

The **Performance Management Committee** undertakes an annual review of the Headteacher's salary, and recommends enhancements, if applicable, to the Full Governing Body for approval.

The Headteacher undertakes an annual review of all other staff, in accordance with the Governors' Pay Policy and reports to the Full Governing Body.

3.8 Payroll Matters

The payroll provider at Wittersham Primary School is Capita Business Services Ltd, who provides payroll services to the specification laid down by the LA. The Headteacher, or designated deputy, signs off the monthly payroll reports once they have been checked for accuracy.

3.9 Safeguard of Stocks, Stores and Assets

All staff at Wittersham Primary School are responsible for the security of school assets. Co-ordinators, subject managers and class teachers safeguard their assets and maintain asset registers, which are checked at least on an annual basis and certified by the Headteacher or designated deputy. Other school assets are recorded on a general asset register, maintained and updated by the school office.

Items of value are held in a locked cupboard/cabinet, wherever possible and all items are visibly security marked to deter theft.

Where assets are written off and disposed of, the Finance Committee agrees this on behalf of the Full Governing Body and the agreement is minuted.

Where school assets are loaned to staff or pupils, a loans book is completed and signed when borrowing the item and again when the item is returned.

3.10 Income

At Wittersham Primary School, the Lettings Policy is reviewed and approved on an annual basis by the Governing Body.

Where debts are required to be written off, after every effort has been made by the Headteacher and Governors to recoup the monies, the Full Governing Body will approve up to £1,000. Approval to write off debts over £1,000 is required in writing from the CFE Finance Manager.

Since the LA does not insure for cash held on the school premises, we have agreed a level of cash to be held in school at any one time as £500. Cash will be receipted, recorded and banked promptly at all times.

3.11 The School Bank Account

Wittersham Primary School operates its school bank account(s) in accordance with the regulations in the LA's Scheme for Financing Schools. The school operates only one current account for the administration of KCC official funds.

Bank account signatories are updated immediately there is a change in staffing and details are copied to the Statutory Unit, as a matter of course.

Bank statements at Wittersham Primary School are received on a monthly basis and reconciled to the school's local system immediately. The Headteacher signs and dates the bank statement when the reconciliation has been checked.

3.12 Petty Cash

Petty Cash is held securely at all times and the limit for petty cash is £50. At Wittersham Primary School, petty cash transactions are kept to a minimum and the maximum value of any one transaction is £25. All staff obtain proper VAT receipts for petty cash purchases, wherever possible, as this demonstrates value for money in respect of the school budget and satisfies legislative requirements.

3.13 Purchase Cards

Wittersham Primary School operates an approved Purchase Card in accordance with the guidance in the LA's Budget Book. The approved user is Mrs Claire Frost. The Purchase Card will be kept on her person when not in use. Personal credit cards will not be used for the purchase of items for the school.

3.14 The Voluntary Fund

In addition to the LA's official funds, Wittersham Primary School also operates a school Voluntary Fund, adopting the procedures in the LA's School Voluntary Fund Guidance. We recognise that our Voluntary Fund is an additional source of income and that the controls over its use need to be as rigorous as for the administration of the school's delegated budget. We have appointed someone who is independent of the school to audit the Voluntary Fund accounts on an annual basis. All monies for the Voluntary Fund are held securely and separately from those of the school budget.

3.15 Irregularities

All staff at Wittersham Primary School are aware of the LA's Whistleblowing procedure. These details are available to staff in their staff handbook.

3.16 Data Protection

Under the terms of the Data Protection Act 1998, the Headteacher and Governing Body are required to notify the Information Commissioner of our processing, storage and disclosure of data procedures, which are covered by this legislation. To this end, we have a password protection procedure, laid down in the staff handbook. Systems are backed up regularly and the backups held securely, virus protection is in place and is updated regularly and the school has a disaster recovery plan for the administration network.

3.17 Financial Administration

At Wittersham Primary School, one member of staff is trained in the use of the finance software and financial administration procedures. We also purchase a support contract through Schools Financial Services which is reviewed on an annual basis, allowing us the option to purchase additional support, if required should the one member of staff be unable to fulfil the admin / finance function.
