

Viking Class Homework Grid

Term 3

Please mark on the grid below which homework activity has been completed by carefully shading in/ marking the box. Each week you need to choose a different activity below to complete. In total, 4 different activities should be completed over the term as well as weekly pieces set on Mathletics and Spellodrome. Enjoy!

We know that the first recordings of art were Cave Art. Design a piece of cave art using materials of your choice. i.e. paint, chalk, crayon.

Create a word search inspired by our class theme.

Have a hunt at home or make a visit to your local library. Can you find some non-fiction books about prehistory: Stone Age, Bronze Age and Iron Age. If so, maybe you could share them with us at school?

What tools were used in the Stone Age, Bronze Age and Iron Ages? Carry out some research and create a fact file about the tools used in Prehistoric Britain.

Imagine you have been whisked back in time to Prehistoric Britain. You have been allowed to take one object. What would you take and why? Explain the reasons for your choice.

Research an aspect of Prehistoric Britain; the Stone Age, Bronze Age or Iron Age and use what you find out to create a full project. You can present this in any way you wish.

People living in Prehistoric Britain could only eat and drink things that were readily available to them or that they caught themselves as there were no shops. Have a go at making some stewed fruit with the help of an adult. If you'd like to have a go please ask Miss Downs or Miss Osborn for the recipe.

Create your own comic strip (similar to UG) with your own story set in Prehistoric Britain.

Using the words 'Prehistory', create an acrostic poem.

Create a themed board or card game and teach friends or family members how to play it.

Write 5 prehistory themed mathematical word problems for your classmates to solve. Can you link it to what we have been doing in maths?

Write your own song or rap about Prehistoric Britain which includes factual information.
